Terms & Conditions

Booking terms, image usage and how we work together.

These terms apply to every session booked with YÒSÍRÉ, whether booked online or arranged directly. By reserving a date you confirm that you have read and agree to them. A separate Client Agreement covering consent and model release is completed as part of booking.

01 Booking fee

A 25% non-refundable booking fee is required to secure your session date. This is deducted from the total session price. Your date is not reserved until the booking fee has been received.

02 Remaining balance

The remaining balance is due no later than 48 hours before your session. Full payment must be received before final digital files or printed items are released. Payment is accepted online at the time of booking or by the method agreed at booking.

03 Rescheduling

One reschedule is permitted per booking, provided at least 48 hours' notice is given before the original session date. Rescheduling within 48 hours of the session will be treated as a cancellation under the terms below.

04 Cancellation

Cancellations made by the client forfeit the booking fee in full. YÒSÍRÉ reserves the right to cancel or postpone a session due to illness, emergency, or circumstances beyond reasonable control, in which case the booking fee will be transferred to a rescheduled date or refunded in full.

05 Lateness

A grace period of 30 minutes is given for late arrivals. Sessions may be shortened to fit the remaining scheduled time if you arrive late. Failure to arrive within the grace period without prior notice may result in the loss of your booking fee and cancellation of the session.

06 Delivery

Edited images are delivered within 7 to 14 working days via a private online gallery. Personal Editorial deliverables (designed magazine spreads) may take longer where noted at the time of booking. 48-hour express delivery is available as a paid add-on where offered.

07 Travel

Sessions take place at the YÒSÍRÉ studio in Taunton or on location. Travel outside Somerset is charged at £0.60 per mile where applicable and will be confirmed before your session.

08 Copyright

YÒSÍRÉ retains copyright of all images taken during a session, in accordance with UK copyright law. Clients are granted a personal-use licence as set out below; copyright is not transferred to the client unless separately agreed in writing.

09 Your personal-use licence

You receive a licence to use your delivered images for personal, non-commercial purposes, including:

- Printing for personal or family use
- Sharing on personal social media accounts
- Personal digital use (phone or computer wallpapers, personal albums and similar)

10 Commercial or business use

Where images are commissioned for business, branding or commercial purposes (for example Personal Branding sessions), the agreed commercial usage rights will be confirmed in writing at the time of booking, including any restrictions on duration, platform or scope of use.

11 Portfolio and marketing use

Unless you opt out in writing before or at the time of your session, YÒSÍRÉ may use images from your session for portfolio, marketing and promotional purposes, including on the YÒSÍRÉ website and social media channels. You can opt out on the Consent & Model Release section of the Client Agreement, or by notifying YÒSÍRÉ in writing at any time afterwards.

For Personal Editorial bookings, the designed magazine (cover, spreads and written content) may be used as a portfolio case study and marketing example in the same way, unless you have opted out. You retain your personal-use licence to the delivered magazine, digital and/or printed.

12 Data protection

YÒSÍRÉ will hold your name, contact details and images in line with UK GDPR, for the purpose of fulfilling your booking and, where consented to, portfolio and marketing use. Your data will not be sold or shared with third parties beyond what is required to deliver your session. You may request deletion of your personal data at any time by contacting YÒSÍRÉ directly.
